Perth Children's Hospital Foundation

THE FOUNDATION ON THE FRONTLINE

Thank you for your commitment to fuel the fight on the frontline of paediatric healthcare. Over the last 12 months, Perth Children's Hospital Foundation gave more than \$8,998,531 in grants to help children get well and stay well.

## Where your donations made a difference.

### Ground-breaking research.

We bring together clinicians who are the best in their fields and support the translation of projects into clinical practice. We also fund prevention and early intervention research that drastically improves kids' lives.

### World-class expertise.

Thanks to our generous donors we're helping to ensure patients have access to the best medical minds available. By continuing to fund some of the world's best experts and clinicians WA kids have the best possible care right here at home.

### Education and training programs.

The world of paediatric medicine evolves and innovates constantly, and our supporters enable staff to attend training programs, study new practices and learn from international professionals.

### Innovative equipment and technology.

We ensure Perth Children's Hospital has access to the best possible equipment and technology that improves diagnosis and treatment outcomes, shortens waiting periods for families and allows for a better standard of paediatric care.

### Positive patient and family experiences.

Through a range of activities including the Artist in Residence program and Music Therapy, we are able to help patients and their families create positive memories at the Hospital.

Thanks to the wonderful generosity of our donors our total support in the past 25 years has been over \$92 million with a further \$21 million committed over the next five years.
