THE FOUNDATION ON THE FRONTLINE

The future was important to Frank.

"Our very good friend of many years, Frank, left the bulk of his estate to the Foundation and we know that he would be looking down in approval knowing that his decision is helping children now and into the future."

Reg Byers and Blair Doncon
Executors and friends.

The funding from Frank's bequest allowed Professor Britta, a global expert in Paediatric Anaesthesiology to continue to treat patients, teach the next generation of medical specialists, and lead clinical research projects which will benefit generations to come.

It's your Will and their future.

Perth Children's Hospital Foundation is the largest funder of Perth Children's Hospital (PCH) and the wider Child and Adolescent Health Service (CAHS) after Government.

In the last 25 years we've contributed over \$92 million with a further \$21 million committed over the next five years. With the help of our generous donors, our efforts will enable PCH and CAHS to ensure WA's sick children and young people have access to world-class health care that comes from the most innovative equipment and technology, ground-breaking research, world-class education and training programs, the expertise of highly trained experts from Australia and around the world, and positive patient and family experiences.

It's your gift

It's important to take care of your family and those close to you when you are planning for the future. However, as you make plans, there may be the opportunity to consider how you can help others in the community.

Many people choose to leave a bequest in their Will to the Foundation. Some remember their time in the Hospital when they were a child and want to ensure future generations have access to a world-class hospital providing the very best of care. Others have had a child, grandchild or sibling cared for at the hospital and see a gift in their will as a way of saying thank you for the support they received. Many who have no family of their own choose to support the Hospital through the Foundation because they believe all children should have access to the best medical care and treatment available. Some have worked in the Hospital and appreciate how a bequest can help children and adolescents, now and into the future.

Whatever your reason, leaving a gift in your Will to Perth Children's Hospital Foundation is an honourable way for your **generosity to live on.**

It's your decision.

By leaving Perth Children's Hospital Foundation a gift in your Will, you will be supporting the efforts to help sick WA kids through medical advances and much-needed resources, both now and into the future.

There are a number of ways you can include Perth Children's Hospital Foundation in your Will.

A Residual Gift

Leave the 'residue' or leftover of your estate (or a percentage of this residue) to Perth Children's Hospital Foundation after all other gifts, expenses, and debts have been paid.

A Pecuniary Gift

Leave a specific sum of money to Perth Children's Hospital Foundation.

A Percentage Gift

Leave a percentage of your estate, or a percentage of the residue, to Perth Children's Hospital Foundation.

An Asset Gift

Share your assets with Perth Children's Hospital Foundation from real estate to shares and bonds or other items of value.

You can make tomorrow better.

Suggested wording in your Will

It's important for your Will to make your wishes clear and leave nothing to chance.

When you choose to leave a gift to Perth Children's Hospital Foundation in your Will, the following wording is suggested:

"I give and bequeath to Perth Children's Hospital Foundation Limited (ABN 18 604 862 071) to be used for the general purposes of supporting Perth Children's Hospital, free of all duties,

1. The sum of \$ _____ /or ____% of my Estate OR
2. Life Insurance Policy No: _____ OR
3. The Property situated at: _____ OR
4. The residue (or ____%) of my Estate

For which the receipt of the Treasurer or other authorised officer shall be sufficient discharge."

If you would like your gift to be directed to a specific purpose, simply identify your choice in the wording above.
