

# Give for Kids Day

Friday 19 September

One day, endless impact

Join us this **Give for Kids Day** and help create lasting change in your community and in the lives of WA's sickest kids.

## What is Give for Kids Day?

- Our **inaugural giving day** supporting **world-class** care for WA children at Perth Children's Hospital
- A **one-day fundraising event** with a big goal and even bigger heart
- A chance to become a **Kids Champion** and amplify the impact of every dollar raised

## How can you help?

Be a Kids Champion for WA's sickest kids. Simply create a fundraising page, spread the word, and host a fundraising activity. Your support will help us reach our goal, and every dollar you raise will be matched to double your impact.

## The Impact of Giving

Perth Children's Hospital Foundation is WA's only fundraising organisation solely dedicated to supporting Perth Children's Hospital. Your support helps deliver world-class care to WA kids, wherever and whenever they need it most.

Together, with every dollar matched, we can create healthier, happier futures for thousands of children across WA.

**Be the reason WA kids get the very best.**

**Let's Give for Kids – together.**

- ✓ **One hospital**
- ✓ **One mission**
- ✓ **Thousands of WA kids counting on us**

## How it works
